Scorers

Michele Pendergast – East Hills Baseball Club

Michele has been scoring for over 20 years, scoring for East Hills IL team and 2nd Grade EH Redsox team in CSLMBA. Michele runs scorers courses for anyone who wants to learn. She's always happy to help.

Volunteers

Peter Rogers – Shellharbour City Warriors Baseball

Peter's shown great commitment to maintain fields to a playable level seeing only 2 grounds have been at a playable state as well as keeping club running, during this intense wet weather period.

Kylie Vella – Quakers Hill Pirates Baseball

Kylie has been fantastic over the last couple of seasons with her tireless work. The club wouldn't be where it is without her efforts.

Scott Dalton – Kellyville Colts Baseball

Scott has for the last 7yrs, been involved in all aspects of Kellyville Baseball Club. He is down at our fields every weekend either coaching, playing, or helping with field maintenance. He is always around to help, and we greatly appreciate him.

Karen Reed – Mt Druitt Lions Baseball

Always there to help not only in the canteen but also any team that needs a scorer. Karen is also the first to put her hand up on any project.

Henry Twadell – Eastern Suburbs Dolphins Baseball

With so many diamonds closed to weather issue, Chifley has picked up dozens of games. Henry seems to be at the field daily ensuring that not only Dolphins games go ahead, but every other team can play. He spends more time maintaining the field than anyone else I've seen. Because of him, the league can continue to play.

Baseball NSW GameDay Passport Registration System

Baseball NSW wish to advise that we will be transitioning to a new registration platform for the upcoming 2022/2023 Season.

WHO

BNSW will be implementing **GameDay Passport** as our new provider. **GDP** are part of the **Stack Sports Group** who have **Game Changer** and **Team App** as part of their technology offering.

WHAT

GDP will be primarily responsible for managing member registrations on behalf of clubs, association, Baseball Australia, and Baseball NSW. We expect it will also assist in making our club registrars roles simpler and more efficient.

Complementing the new GDP platform will be Baseball NSW's new dedicated website which will integrate with the new system.

WHY

Our current registration system **SportsClub HQ**, expires in July 2022, so BNSW has researched other potential platforms before ultimately deciding on **GameDay Passport**.

Primarily due to their relationship with the Stack Sports suite offering membership management, competition and tournament management, event/ticketing platforms, various digital websites, e-commerce, and online auction and fundraising solutions.

WHEN

July 1st – 2022/2023
Summer and Winter seasons.

Baseball NSW Coaches Corner

Our other key segment is our BNSW Coaches Corner #BNSWCoachesCorner.

This segment is aimed at targeting all your member enquiries about training and informative information such as techniques, drills and routines that can be used both on and off the field.

We have had some excellent questions so far so please keep them coming.

Simply inbox your question or post on instagram. Stay tuned each month for coaches answers.

Q. What's the best stance/position for a catcher to be in behind the plate?

A. There is not one best position for a catcher to be in as the game is so fluid and there are multiple scenarios and situations that may dictate that the catcher should set up a different way.

Click here for a video that show different stances.

Q. What drills can I use to help improve my son's pitch control? He's a junior league charter player but it struggling to balance velocity and accuracy?

A. The easiest way to improve accuracy and pitch control for younger players is during catch play and warm ups. Playing catch and warm ups shouldn't just be about getting lose and ready to play. It should be treated as a high importance drill with players focusing on hitting their partner in the chest or the right side / left side of their body. By focusing more during catch play they will carry that over into bullpens and into the game. When it comes to balancing Velocity and Command, sometimes its better to take a little velocity off of a pitch to control your pitches in a game to help the team.

Club Corner

Welcome to Club Corner where we will feature our member clubs latest news and up coming events.

Does your club have a story or event to promote?

Club Corner is available for clubs to help promote events or latest happenings including player milestones etc.

Brandon Lee – North Ryde Rams

Congratulations to North Ryde's Brandon Lee, who has been awarded Baseball NSW Little League Umpire of the Year. Brandon has earned this amazing honour through hard work, determination & countless hours of effort dedicated to umpiring.

It is wonderful for Brandon to be recognised for his talent and contribution to the sport! North Ryde commented that "Brandon's journey from a young player for North Ryde Rams, to a Junior Umpire, then our first Little League Umpire of the Year has been a pleasure to witness."

Well done, Brandon, and thank you for all the time you put into umpiring baseball!

Barclay Cup Expressions of Interest

BARCLAY CUP
GOLD COAST 2022

Baseball NSW are excited to join its fellow states in creating an inaugural Junior League Women's tournament, the "Barclay Cup".

The tournament is open to female players between the ages of 13 and 16. This year, the Gold Coast will host the first event at Surfers Paradise Baseball Club, from the 25th of September to the 1st of October. Future events are set to be held in Perth and Sydney.

The tournament is named to honour Jacinda Barclay, who had a major contribution to Women's Baseball and overall Women's sport in Australia. Jacinda was an Australian representative Baseball player, playing professionally in 3 different sports over her career. Barclay was also a pioneer for equal rights in women's sports and hosting an event in her name for junior female athletes highlights the impact she had on many during her life.

The event will be an invitational tournament which we hope will encourage participation by welcoming all states to compete.

Baseball NSW, therefore, encourages all female players from League Age 13-16 years old to register for selection.

All states are looking to submit a minimum of 2 teams each with a squad size of 12-14 players. **If you are wishing to participate in the tournament, click here to register.**

Baseball5 World Cup Announcement

It's a great time to be involved in Baseball5!

On Monday, 4th July, the World Baseball Softball Confederation (WBSC) made an important announcement regarding the Baseball5 World Cup that is set to take place this year.

The Inaugural Baseball5 global event will be played from 7-13 November at El Zocalo in Mexico City.
The announcement was made during the WBSC Congress in Taipei, Taiwan.

Baseball NSW has one of the largest Baseball5 programs in the country. Our involvement with Disability Sports Australia, Wheelchair Sports NSW and Sporting Schools NSW is driven by a passion to make baseball a sport for all. BNSW is involved in events run by multiple councils to promote the game all around the state.

Baseball5 also runs development programs through the Latin American community. The game is a fast-paced, all-inclusive, urban version of the classic games of baseball and softball. It is a dynamic discipline that follows the same founding principles as its parent disciplines.

On Monday, Australia was also announced as the sixth qualifier out of 12 teams following the confirmation of WBSC Oceania that they will represent the region in the inaugural WBSC World Cup.

The WBSC Baseball5 World Cup will run on even years with the WBSC Youth Baseball5 World Cup (14-18 age bracket) on odd years. The events will happen on a two-year cycle.

The 2025 edition of the Baseball5 World Cup will serve as a qualifier to the Dakar 2026 Youth Olympic Games, where the discipline will make its debut as an official medal sport.

To read more on the event, head to WBSC's website for the announcement.

Baseball5 Byron Bay Active Fest

This month our Head of Baseball5 in NSW, Adrian Medina, head up to Byron Bay to participate in the Byron Bay Active Fest run by NSW Sport.

Active Fest events are funded by the NSW Governments Community Sport Rebuild and Recovery Package, and provide financial support, assistance, and participation opportunities for communities hardest hit by the COVID lockdowns.

2022 U16's Australian Youth Championships

This month NSW Metro and Country teams represented at this year's Australian Youth Championships in Queensland.

New South Wales saw great success with our Metro team taking home the gold medal and Country stepping up to the plate to face off with the best from each State.

Congratulations to NSW Metro player, Josh Nati who received the "Golden Bat" award. Amidst all the players at the AYC's, Josh stood out for his batting performance, with 4 home runs and 14 total RBIs.

There were many other stand-out performances from both our NSW Metro and Country teams.

NSW Metro infielder, Max Miotto batted extremely well with a .611 BA, 2 HR and 9 RBIs as did outfielder, Lucas Stancic who across 7 games had a .500 BA, 1 HR and 8 RBIs. Over 8 games the Metro team held a combined batting average of .425. Metros pitching was also great with Daniel Mills taking 2 starts with an ERA of 3.5.

James Fergusson also started twice, and his stats show 10 strikeouts from 7 innings with an ERA of 3.0

Standouts from NSW Country were Jonah Beath and Lachlan Vella. Beath hit NSW Country's single home run for the tournament whilst Vella stepped up to the plate, leading the team with 5 RBIs. Pitchers Ed Noy and Damien Wilson, both had 2 starts. Wilson struck out 12 from 9 IP, whilst Noy struck out 8 from 8.2 IP. Well done to all the NSW Country boys.

If you missed any of the AYC's action, don't stress! Gamechanger stores all the stats and results from each of the games!

Upcoming Event
Little League Umpire Academy

NSW Baseball Umpires Association and the NSW Little League Umpires Group are excited to announce the first ever NSW Little League Umpire Academy, set to run at the end of September.

The event will be held at the Greenway Baseball Complex in Cherrybrook. This event is open to all who want an insight into the world of umpiring baseball. Parents, players and coaches are all welcome to join as well.

The event promises to be one of the most exciting events to have been held for umpiring in Australia. The instructor and trainer group will include Local and Interstate instructors and trainers, Little League World Series, and National and State Championship Umpires who are all dedicated to sharing their knowledge and skills. Notably, 2 USA LL Umpire Instructors will be joining NSWBUA, both with astounding umpiring experience!

For all the information on the event and registration, head to the NSWBUA Events page here.

NSW BASEBALL UMPIRES ASSOCIATION

Umpires School Annual Association Level Seminar

After two cancelled events due to COVID-19, the NSW Baseball Umpires Association was finally able to hold its annual Association level Seminar during the first weekend of July.

With the rain forecast, the decision was made that the event would go ahead no matter what mother nature had in store.

Over 100 umpires and instructors with all levels of experience, braved the tough conditions to work hard on improving their skills and knowledge. A number of interstate students and instructors were also welcomed to the event.

NSWBUA Little League Umpire in Chief, Matt Wagner, noted "The weekend course went well on the BISP diamonds on Saturday morning, but afternoon rain Saturday and wet weather Sunday didn't stop the training. Thank you to Cricket NSW indoor practice centre which allowed everyone to move to an indoor facility that helped continue with the event."

He also mentioned, "It was great to see so many attend and work hard at improving their game and following the event all umpires will now undertake an extensive rules exam to further increase their skills."

These events can't proceed without a number of dedicated volunteers helping out and NSWBUA would especially like to thank Kerry Jackson for help with catering over the weekend. Thank you to all those involved in the behind-the-scenes work to get such a great event run for our umpires!

BNSW 2022/23 Capitation Fee Announcement

Baseball NSW wishes to announce the Capitation Fees for the 2022/23 Season.

There has been no adjustment from the Baseball NSW 2021/22 Capitation Fees.

Baseball Australia has increased their fees by $5.00 per member type for this financial year which includes insurance for the first time since 2019. This increase is due to unprecedented increases in Insurance claims for 21/22.

Baseball NSW would also like to announce that we are introducing a new category

to assist Clubs and Associations looking to promote the exciting new Baseball5 format. Please contact Baseball NSW with any queries regarding this.

We encourage everyone to take advantage of the NSW Office of Sport Active Kids Vouchers of which NSW residents aged between 4½ and 18 are eligible. You can check here for details.

The full list of capitation fees is outlined here.

Shoosh for Kids Encouraging Positive Spectator Behaviour

Shoosh for Kids is a collaborative effort between the Office of Sport and sector partners to encourage positive spectator behaviour in junior sports.

Baseball NSW has decided to partake in 'Shoosh for Kids' in order to raise awareness and promote one very simple message – if you don't have anything nice to say, shoosh for kids.

We love being involved in, hosting and running junior sports so let's keep it positive, keep it fun and keep kids coming back to Baseball! Shoosh for Kids isn't about staying completely silent, it's just about making sure we're all positive.

Our messages across the campaign run across five key themes:

Overarching:
Think before you speak

General participation:
Keep it positive. Keep it fun.

Volunteer appreciation:
Remember, volunteers run kids sport.

Respecting the officials:
Respect the referee

Supporting the coaches:
Let coaches do the coaching.

NSW GOVERNMENT

RBI Australia's Campaign to Grow T-Ball

RBI Australia is funding a social media marketing campaign across NSW to help clubs find and gather more T-ball players.

Through RBI's targeted marketing campaign, parents of potential players will be directed to the "Find a Club" pages on both the Baseball NSW and Softball NSW websites.

Baseball NSW would like to advise all clubs that in order to take full advantage of this paid campaign, please ensure that all details are up to date on respective NSW club finders.

For the best chance to funnel prospective T-ball players to your club can please ensure that the below details are included and up to date:

– Email of the club's choice e.g. the club secretary's email
– Phone number
– Address of playing field
– Programs offered
– Your website

Additional information about the club (eg. age groups)

Check your club's current details here.

If you have any problems trying to update your club's information, please get in contact.

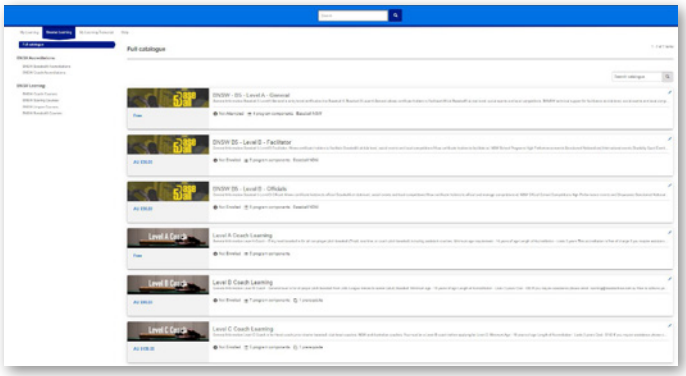
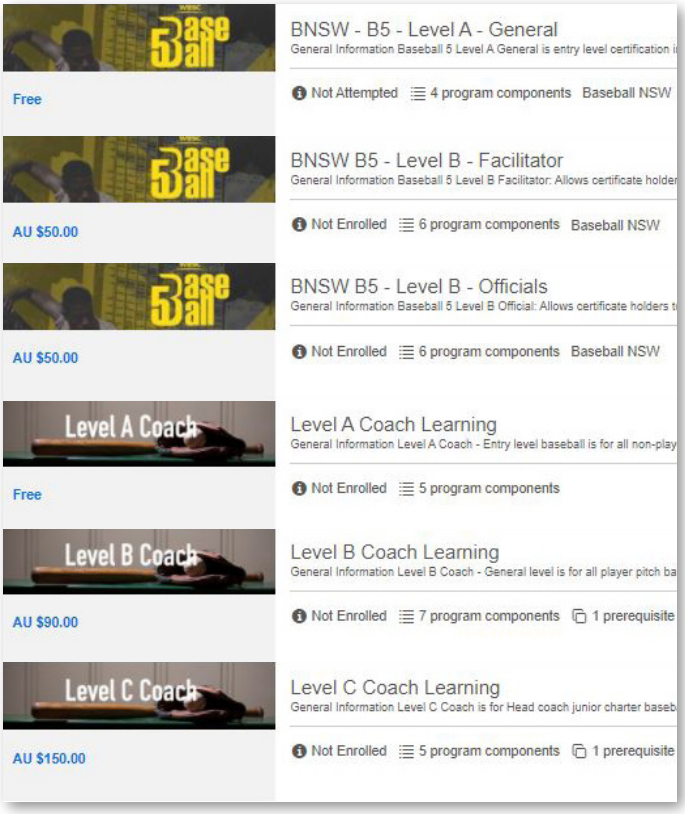
Online Coach Accreditation Platform

Baseball NSW has launched its online coaching accreditation program, aligning BNSW practices with the BA endorsed USA Baseball Courses.





By taking our accreditation courses online, Baseball NSW is transitioning from its prior manual processes to now be done online; therefore, allowing those interested in acquiring accreditation to do so during the times that work best for them.

To assist with the transition we've put together a full document outlining the requirements and changes.
Download document here.

To begin your accreditation pathway today, click here.

How to guide for Schools

Sporting Schools is a $100 million Australian Government initiative designed to help schools increase children's participation in sport and to connect children with community sport. The Australian Sports Commission (ASC) has partnered with more than 30 national sporting organisations (NSOs) to extend the delivery of the program across Australia via their networks of aligned organisations and coaches, ensuring a consistent and quality experience for all.

Does this sound like something you would like to be involved in?

If yes, then get your school to complete the following steps.

1

REGISTER

Your school needs to first register with Sporting Schools to be eligible to apply for funding. Find out how to get started on the Sporting Schools website or for information on registration visit our help centre

2

APPLY FOR FUNDING

If your school meets the eligibility criteria, you can apply for funding each term to deliver Sporting Schools activity (sport packages) before, during or after school hours using one of our NSO partners. For more information about funding visit our help centre

3

BOOK A PROGRAM

Once your school has had their funding application approved you can view, search and apply for sport packages that meet your needs via the online booking system. The booking system will allow your school to administer and manage booking requests including cancellations.

NOTE: Schools without approved funding will only be able to view and search for sport packages. For more information about the booking system visit our help centre

4

REPORT PROGRAM ACTIVITIES

Sporting Schools values your feedback and your school is encouraged to participate in research and evaluation so that we can evolve the program to meet your needs.

In addition it's vital that your school provides information regarding its activities, so Sporting Schools can measure the impact it's having on children's sport participation across Australia. For more information visit our terms and conditions

5

SUBMIT YOUR ACQUITTAL

It's important that your school completes the ASC acquittal process. Acquitting is the ASC's assurance that your school has used the funds according to the program parameters and terms and conditions For more information about funding acquittals visit our help centre.
