

A MESSAGE FROM BASEBALL NEW SOUTH WALES REGARDING THE NOVEL CORONAVIRUS (COVID-19) (12 MARCH 2020)

We would like to re-assure the Baseball NSW community that we are closely monitoring the updates regarding the Novel Coronavirus (COVID-19) from the Government of Australia's and Government of NSW's Departments of Health, as well as Baseball Australia, Sport Australia and the AIS.

Presently there are no restrictions on events where large numbers of people congregate, but we are conscious of the need to monitor any developments with COVID-19 and will act in accordance with the advice from the relevant authorities.

Baseball NSW will provide additional information to our members as it becomes available and endeavor to keep our community updated on any disruptions to the delivery of regular programs or events, should they occur. The health and well-being of our participants is our highest priority, but it is important that people remain calm and act on the best health advice available.

For general advice on COVID-19, please refer to the Victorian Government Health website, <https://www.health.nsw.gov.au>

For sport specific advice, please refer to the [AIS webpage](#), dedicated to providing evidence based, real time advice, including travel as well as FAQs relating to COVID-19 (Coronavirus).
