

Expression of Interest

In the interests of further developing our volunteer coaches, Baseball NSW will be using our range of Player Development programs as an avenue to undertake our Coach Development Program in 2020. Coaches having the ability to observe and take a hands-on role with more advanced coaches is a fantastic way to enhance your knowledge and practical capabilities.

Baseball NSW are now taking Expressions of Interest from those coaches who wish to take part in our 2020 Coach Development Program. Participating coaches will be given the chance to take part in four (4) possible Player Development Programs during the 2020 Player Development block which include:

- **Performance Pathway Program (U18 + Female National Identified Players)**
- **Developing Pathway Program (U16 age group)**
- **Emerging Pathway Program (3 venues – North, South and West)**
- **Womens Developing Pathway Program**

The time frame of the programs is an 8-week block between July 20 and September 10, 2020, which consists of 2 practice sessions per week at different venues around the Sydney Metropolitan area. Coaches will be divided evenly amongst the programs based on volume and current skill set.

Please be aware that these positions are voluntary positions and coaches will not be remunerated for their time.

If you are interested in participating in the Coach Development Program, please send your application including the following information:

- **Current Level of Accreditation**
- **Current Level of Coaching – Club, Representative or National**
- **Brief overview of Coaching Experience**
- **Specific Program you wish to participate in**

Applications including the information above (No longer than 1 page) should be sent via email to State Operations Manager Jason Pospishil – jason@baseballnsw.com.au

Please place “2020 Coach Development Program Application” in the subject line.

Applications close Sunday July 12, 2020.
