

2019 Womens Player Development Program

Program Length

The 2019 Women's and Youth Women's Player Development Programs will be run on Tuesday and Thursday nights at Blacktown International Sports Park (Diamonds 2&3). These programs will begin on the 2nd of July and conclude on the 22nd of August between 6:30pm – 9:00pm.

Early work will be available for all participants between 5:45-6:25pm each session should the players decide to take up to opportunity.

Program Cost

The approximate cost of the program will be \$250, and this includes all program related costs such as Coaching levy, Uniform items, Equipment, Driveline programming and Lighting Hire.

Individual invoices will be sent electronically via email from BNSW Accounts staff.

Coaching Staff

The coaching staff will comprise coaches who are currently involved with NSW and NSW Country state representative teams and the programming will be provided by BNSW High Performance Staff.

Communication of logistics

Communication regarding any information regarding the program will be disseminated via e-mail. Should you have multiple addresses that you want information sent to, please notify BNSW HP staff as soon as possible so we can ensure information is received.

Uniform Requirements

Uniform Pack will not be required this year in the interest of keeping costs down. Each player will be required to wear baseball uniform of some discretion (Club, Representative, State apparel) and GREY pants only. Keeping in mind the weather may be cold so please dress accordingly. Baseball NSW has ordered beanies for each player to wear throughout the program.

Medical Network/ Injury Reporting

Players who obtain injuries that require the services of a Physiotherapist will be advised to attend a physio is on the BNSW Physiotherapy List. The list of providers has direct access to the National Medical Database known as APHEX and this streamlines medical reporting for all the National and State High Performance Staff.

This allows us to properly manage each athlete's rehabilitation in regard to injuries.
