

Cultivation Pillar: Baseball NSW strives to cultivate support and development opportunities

Friday 14th June 2019

Baseball NSW are pleased to announce the 3 Year Strategic Plan for 2019-2021.

Baseball NSW seeks to provide a culture of **community** and belonging; regular and effective **communication**; extensive **collaboration**, while **cultivating** greater opportunities for its members.

Strategic Pillar Four focuses on Cultivation while aspiring to provide clear and accessible pathways of development opportunities.

Our Key Focus Areas over the coming months include the following:

1. Cultivate support and development opportunities for players, coaches, umpires, scorers, officials and volunteers
2. Efficient delivery of our programs to our members

Baseball NSW is the governing body of baseball within NSW. Baseball NSW is located in Rooty Hill in Greater Western Sydney and is based at Blacktown International Sports Park. For all media requests please contact Tori Vella at communications@baseballnsw.com.au and/or (02) 9675 6872 before 5pm.
