

RETURN TO BASEBALL – UPDATED ADDENDUM

Members are required to refer to the current BNSW Return to Activity Document (25 June 2020) as our fundamental COVID Plan. [Click here to see plan](#)

This addendum will advise members of any ensuing updates to this original plan specific, but not limited, to organisation of training sessions, competitions, and other occasions held at member venues.

The restrictions listed below are per the updates provided by the NSW Government and Health Department.

Date	Update
July 17 th 2020	<ul style="list-style-type: none"> • Venues are to update their COVID-19 Safety Plan template; • Venues are to keep a copy of their COVID-19 Safety Plan and make it available for inspection by an authorised officer as requested; • Participants (including spectators and officials) that have been in Victoria and/or one of the identified reported case locations within the past 14 days are not permitted to attend training or games; • Provide communication to participants via e-newsletters, social media and websites strongly suggesting that only parents and carers should attend community sports activities where possible and that you not permitted to attend if you have visited Victoria and/or one of the identified reported locations within the past 14 days; • Limiting entry to indoor facilities and fenced venues to one person per participant at junior sport (where practical); • Restricting spectator entry at adult community sport; • Make PA announcements (where the facility exists) reminding people to minimize spectators to parents and carers where possible, and of their hygiene and social distancing responsibilities; • Increase signage in venue carparks and at common entry points at outdoor venues; • Advocate “Get in, play/train, get out” as per Level B; • COVID Safe Posters are to be displayed throughout the facilities;
August 1 st 2020	<ul style="list-style-type: none"> • BNSW encourages all venues to create their QR Code and would require all attendees to register their details to assist with contact tracing. Once a QR code has been created, insert the required details into the QR Code template, and position the templates throughout the venue. COVID Officers are encouraged to patrol the venues with a QR Code template in hand and assist participants in registering their details. •
