

Baseball NSW Coach Development Program

In the interests of further developing our volunteer coaches, Baseball NSW will be using the High-Performance Program as an avenue to undertake our Coach Development Program starting in 2019. Coaches having the ability to observe and take a hands-on role with more advanced coaches is a fantastic way to enhance your knowledge and practical capabilities.

Baseball NSW are now taking Expressions of Interest from those coaches who wish to take part in our 2019 Coach Development Program. Participating coaches will be given the chance to take part in five (5) possible High-Performance Programs during the 2019 HP block which include:

- **U18 HP Program**
- **U16 HP Program**
- **Emerging Blue Sox program (3 venues – North, South and West)**
- **Open Women's Player Development Program**
- **Youth Women's Player Development Program**

The time frame of the programs is an 8-12-week block during the months of June, July and August which consists of 2 practice sessions per week at different venues around the Sydney Metropolitan area. Coaches will be divided evenly amongst the programs based on volume and current skill set.

Please be aware that these positions are voluntary positions and coaches will not be remunerated for their time.

If you are interested in participating in the Coach Development Program, please send your application including the following information:

- **Current Level of Accreditation**
- **Current Level of Coaching – Club, Representative or National**
- **Brief overview of Coaching Experience**
- **Specific areas of Interest (EG. Pitching, Catching, Infield Play, Hitting etc.)**

Applications including the information above (No longer than 1 page) should be sent via email to BNSW Head of High-Performance Jason Pospishil – jason@baseballnsw.com.au Please place “2019 Coach Development Program Application” in the subject line.

Applications close COB Friday May 3, 2019.
