

Sporting Schools is a \$100 million Australian Government initiative designed to help schools increase children's participation in sport and to connect children with community sport. The Australian Sports Commission (ASC) has partnered with more than 30 national sporting organisations (NSOs) to extend the delivery of the program across Australia via their networks of aligned organisations and coaches, ensuring a consistent and quality experience for all.

REPORT PROGRAM ACTIVITIES

Sporting Schools values your feedback and your school is encouraged to participate in research and evaluation so that we can evolve the program to meet your needs.
