Baseball NSW Website Re-launched

Baseball NSW is proud to announce the official re-launch of our website!

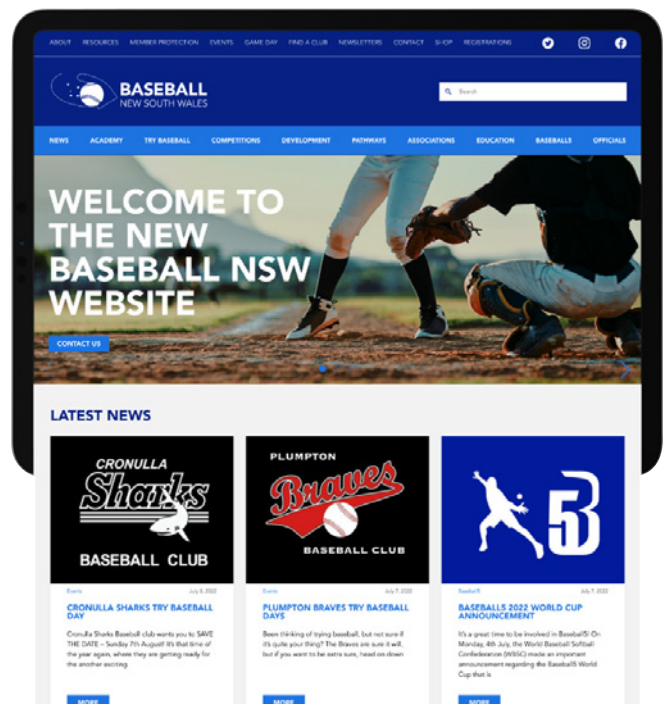

The hard work and dedication behind the scenes have been significant to ensure that the new face of the Baseball NSW website is increasingly userfriendly with an interface that is both appealing and easy to navigate.

The official Baseball NSW website is more engaging and has everything you need right at your fingertips. It is the home of current information relating to all Baseball in the state.

Baseball NSW has over 180 clubs across the state running junior to senior competitions. In addition, Baseball5 opens the sport to all abilities.

Baseball is a safe, non-contact sport that requires an array of skills. Thus, BNSW provides many development opportunities to its members and recognises the international span of the game, providing pathways for players to excel in the sport.

Baseball is a great community sport and NSW Baseball has the largest membership base across the country

which drives great success across many levels of the game.

If you're unsure of where to start, the website is set up to easily register and find a club near you!

Thank you to the team at Derringer who has worked closely alongside us to create and re-launch our website. Derringer is a Sydney-based creative consultancy and a long-term, trusted partner of Baseball NSW, who have been integral in this re-launch process.

Baseball NSW GameDay Passport Registration System

Baseball NSW wish to advise that we will be transitioning to a new registration platform for the upcoming 2022/2023 Season.

WHO

BNSW will be implementing **GameDay Passport** as our new provider. **GDP** are part of the **Stack Sports Group** who have **Game Changer** and **Team App** as part of their technology offering.

WHAT

GDP will be primarily responsible for managing member registrations on behalf of clubs, association, Baseball Australia, and Baseball NSW. We expect it will also assist in making our club registrars roles simpler and more efficient.

Complementing the new GDP platform will be Baseball NSW's new dedicated website which will integrate with the new system.

WHY

Our current registration system **SportsClub HQ**, expires in July 2022, so BNSW has researched other potential platforms before ultimately deciding on **GameDay Passport**.

Primarily due to their relationship with the Stack Sports suite offering membership management, competition and tournament management, event/ticketing platforms, various digital websites, e-commerce, and online auction and fundraising solutions.

WHEN

July 1st – 2022/2023
Summer and Winter seasons.

KEY BENEFITS:

- ✓ Easier end user experience
- ✓ Players will only be able to register into the age group as determined by their date of birth
- ✓ Alternative and Progressive Payment options
- ✓ Simplified Active Kid Vouchers functionality
- ✓ Integrated membership, event, competition set up with results entry and live scoring, website

GameDay available at the

SSA Baseball Championships 2022 Results

Baseball NSW alongside School Sport Australia and Combined High Schools (CHS) hosted the SSA Baseball Championships, formerly known as the Schoolboys Cup, this month at Blacktown.

Congratulations to this year's Championship winners, Queensland, who defeated NSW in the final on Saturday 20th August.

The tournament was a success with 5 huge days of baseball, many double headers and a rest day dedicated to modified baseball games and college pathway education. We hope that the event was a great experience for all and that all teams travelled home safely!

Congratulations to all those players who received MVP for their games, and we also recognise those players who have been selected for the 2022 All Australian Baseball Team.

We especially congratulate our 4 NSW representatives, Tom Stancic,

Photo: The bling that was on offer at the SSA Championships.

Daigo Yamaguchi, Parker Robinson and Hayden Chappell!

A huge thank you to Ross Morrison and Nigel Simmons who managed the event and to all volunteers and scorers who made sure the event ran smoothly. Thank you also to Kerry Jackson who ensured the canteen was open for all players to keep fuelled during the tournament. And finally, to our amazing umpires who devoted their time over these 6 days!

NSW Country Men's 2022 Championships

This month our NSW Country Men's A and B teams took to Blacktown International Sports Park for their Country Championships.

After 3 days of hard-fought baseball, in the A division final, Newcastle defeated Central Coast 12 to 2 to win the A division championship.

The B division saw a thriller final as Newcastle defeated Wagga 7-6 to become B division champions as well.

Congratulations to all teams who participated and to the officials who helped out! Country Baseball hopes it was a very enjoyable championship after a 2-year hiatus.

The CLSC especially thank tournament director John Wingrove, scoring co-ordinator Judy Clifford and the umpires co-ordinator Brian Sullivan for all their hard work in making the championships the success they were. John will be enjoying a well-earned retirement after decades of devotion and hard work. BNSW alongside Country Baseball, appreciates your service to the game!

Baseball NSW 2022 Sydney Cup This October

The Baseball NSW Sydney Cup is fast approaching, and we're excited to begin the competition in October.

Following the success of the 2021 Sydney Cup, this year's season will once again be a great opportunity for players across the metropolitan and surrounding Sydney area associations to enjoy higher levels of competition. Aimed at our U/12, U/14, and U/16 players, the three tournaments have been named in honour of influential families, Worboys, Balfour, and Shipley, all of whom have had significant roles in shaping Baseball in NSW. The positive opportunities from last year's event will hopefully encourage more of the same this year with memorable experiences among the teams travelling and hosting at various associations. Access to ABL games in both Sydney and Canberra will again be available where players and parents can socialise and expand their friendships.

The round-robin tournament will begin after the October long weekend and will run from October 9th through to December 18th.

The tournaments will consist of seven (7) teams per division. The participating associations include Hills, Cronulla, Ryde, Greater Western, Macarthur, Manly, and a team representing Baseball ACT.

To make things more interesting this year, the champion teams from each division will be given the opportunity to travel to Cooperstown, New York to attend the "Cooperstown Baseball World Tournament" and represent Baseball NSW during the 2023 July School holidays.

Barclay Cup Tournament 2022 Announcement

Thank you to all the players who expressed interest and attended trials for the Barclay Cup this month. Due to the great response to the event, Baseball NSW is likely to be able to send two teams comprising of a squad of 12-14 players each.

The tournament is for female players between the ages of 13 and 16. This year, the Gold Coast will host the first event at Surfers Paradise Baseball Club, from the 25th of September to the 1st of October.

The tournament is named in honour of Jacinda Barclay, who had a major impact on Women's Baseball in Australia. Jacinda was a National representative Baseball player, playing professionally in three different sports over her career.

BARCLAY CUP
GOLD COAST 2022

Online Coach Accreditation Platform

Are you interested in obtaining your Baseball Coaches Accreditation?

Baseball NSW offers an online coaching accreditation program through the Canopi platform. It aligns BNSW practices with the Baseball Australia revisions for coach accreditations. There are 3 levels (A, B and C) that are recognised nationally. As such, we have updated our coach accreditation requirements, with the USA Baseball Certification being a mandatory component of the BNSW accreditation.

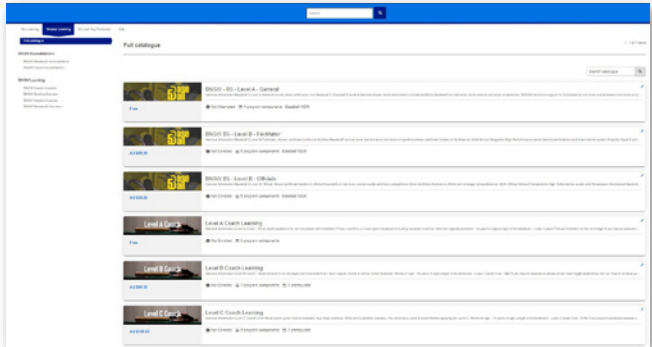

Anyone interested in partaking in our courses can now access everything through the 'Education' section of our updated BNSW website. The online courses allow those interested in acquiring accreditation to do so during the times that work best for them.

To assist with the transition we've put together a full document outlining the requirements and changes.
