# Baseball NSW GameDay Passport Registration System

Baseball NSW wish to advise that we will be transitioning to a new registration platform for the upcoming 2022/2023 Season.

## WHO

BNSW will be implementing **GameDay Passport** as our new provider. **GDP** are part of the **Stack Sports Group** who have **Game Changer** and **Team App** as part of their technology offering.

## WHAT

GDP will be primarily responsible for managing member registrations on behalf of clubs, association, Baseball Australia, and Baseball NSW. We expect it will also assist in making our club registrars roles simpler and more efficient.

Complementing the new GDP platform will be Baseball NSW's new dedicated website which will integrate with the new system.

## WHY

Our current registration system **SportsClub HQ**, expires in July 2022, so BNSW has researched other potential platforms before ultimately deciding on **GameDay Passport**.

Primarily due to their relationship with the Stack Sports suite offering membership management, competition and tournament management, event/ticketing platforms, various digital websites, e-commerce, and online auction and fundraising solutions.

## WHEN

**July 1st – 2022/2023**  
Summer and Winter seasons.

## KEY BENEFITS:

- ✓ Easier end user experience
- ✓ Players will only be able to register into the age group as determined by their date of birth
- ✓ Alternative and Progressive Payment options
- ✓ Simplified Active Kid Vouchers functionality
- ✓ Integrated membership, event, competition set up with results entry and live scoring, website.

The new Gameday Passport registration system has a variety of payment options available to suit you this season, these include:

And if you want to split your payments over time for yourself or the whole family you can use Open Pay – interest free, always!

# Club Corner

Welcome to Club Corner where we will feature our member clubs latest news and upcoming events.

## The Curl Curl Cup 2022

The Curl Curl Cup was held on Sunday the 18th of September under brilliant spring conditions at John Fisher Park, North Curl Curl. Teams from Castle Hill, Quakers Hill, South West Rhinos and all the local clubs from the Manly Warringah District baseball club all came to compete to be the best team on the day and hold that cup aloft.

Some extremely close games were had with plenty of draws or games won by a single run. The cup was eventually won by the powerful South West Rhinos B team. They were also the team with the fastest average pitching speed. Runners up, at their first appearance, was the team from Pittwater who also took out the award for the most accurate pitching team.

All the kids had a ball, and for many, this was their first tournament. Manly Seaside's President, David Gledhill, has said "I am sure those young enough will

be back again next year for our early season slam fest, bringing with them a new bunch of teammates."

The Seasideers wish to thank all their hard-working volunteers within the club to make it such a great event as well as the Manly association President – Brook who worked the canteen and BBQ all day. They will be back again with the Curl Curl Cup Mid-September next year, so Seasideers encourage all League age 9 and 10 players to start getting their teams together now.

Congratulations to the Manly Seasideers Baseball Club for a fantastic event. Baseball NSW are happy to help promote events such as these, so feel free to reach out to the BNSW Communications team today if you have something coming up and always feel free to use the [#ClubCorner](#) to promote great things happening in your club!

Baseball NSW will join fellow states, Queensland, Victoria, ACT, South Australia, and Western Australia to compete for the "Barclay Cup" championship. We hope the teams travel safe to the Gold Coast and know they will do the state proud during the event, which will be played from the 25th of September to the 1st of October.

# U16 & U17 2022 Florida Tour Highlights

**This month, two teams travelled from Australia to the USA to participate in the 14 day Florida Pan Handle Tour.**

Highlights of the tour were the Perfect Game events, the East Labour Day Classic and 3 - day PG Fall Nationals tournament.

The tour was scheduled for two years ago but had been postponed due to COVID travel restrictions. These players were finally given the opportunity to experience all that Orlando and Perfect Game has to offer.

BNSW staff members Grahame Cassel and Tyson Croker took part in the Florida Tour. Tyson from the role of Executive Officer highlighted that "it was a great experience for myself to get to meet members of the NSW baseball community....I felt that the entire trip was a success, not only on the field, but off as well, and is something that should absolutely become a recurring event for BNSW"

Tyson also recognised the tour was "great in helping increase the confidence amongst the players because they had a

large amount of success against American competition, especially the under-16s who went 5-1 in the Jackie Robinson Labour Day Beach Bash, en route to winning the tournament." This tour highlighted how well these players who took part, scale against teams that have been playing together for 2+ years. Coming away with wins was significant in showing the kids that they can have success beyond playing in Australia.

Thank you to the Coaches and Executive Officers who gave their time to this tour and these squads, and we hope the trip was enjoyable for all! This event directly aligned with Baseball NSW's strategic objective of affiliating with Perfect Game for inbound and outbound events.
