Pre and Post Program Physical Testing

Baseball NSW will ensure pre and post program testing which will also double up as State Team testing for State Team selection, will be conducted.

Strength + Conditioning Program

The Strength + Conditioning Program is written by Driveline and will be implemented by our Program S & C coaches.

Running Speed Development

BNSW sprint coach Adrian Medina will be providing our players with a program designed to increase their running speed, mobility and agility. The program will provide Dynamic Warm-Ups, progressive speed programming, cool down programming, and ancillary programs such as flexibility and mobility.

Driveline TRAQ

Baseball NSW's partnership with Driveline Baseball allows us access to the player management system known as Driveline TRAQ. Driveline TRAQ will allow us to provide additional programming that players will need to complete in their own time.

RAPSODO profiles

As part of the Baseball NSW's partnership with RAPSODO, all players will receive an invite to their own RAPSODO profile which will contain all the Batted Ball/Pitch ball flight data. This will be sent by e-mail to all participants.

BLAST Motion Bat Sensor Data

Position Player participants will have access to BLAST Motion sensors throughout the program to provide development data on attack angle, bat speed, peak hand speed and rotational acceleration.

College Recruitment

BNSW can provide an introduction to Baseball Australia Player Development Manager Andrew Riddell who can guide you through the USA College entry requirements if you are interested in a College career.
