

Changes to GameChanger Scoring System 2023/24:

GameChanger is a US-based technology company whose mobile app and website provide scorekeeping, stats, video streaming, and recap stories to teams and connected fans at the local level. The company has decided they will not be hosting the system on gc.com moving forward, and from the end of this year it will be shut down. Existing accounts on the current platform will not automatically transfer over.

GameChanger has been the go-to scoring and stats system used in baseball, and by Baseball NSW, for multiple years. The update to GameChanger will also include multiple new features in their new app, including athlete profiles, live video/streaming.

Competitions:

Baseball NSW and the NSW Baseball Scorers Association will be running all major competitions on the NEW GameChanger platform in the upcoming seasons.

We suggest that all our members be on the new platform in order to access the information for these competitions and tournaments.

Club or Association Assistance:

If you're a club or association and need help with setting up your teams or competitions, please contact the NSW Baseball Scorers Association at info@nswbaseballscorers.com.au

For more information on GameChanger, visit their website by [clicking here](#).

ANNOUNCEMENT

HOW TO SET UP GAMECHANGER:

With Classic GameChanger ending in December 2023, now is the time to update to the new (green) GameChanger. *(The following information relies on the new app being downloaded)*

[Download the app](#) from your app store – available for both Apple and Android.

Everyone needs to create an account, even if you have a Classic account (you can use the same email and password).

- To link your new GameChanger account to your Classic account and transfer your pricing plan, go to the Account tab and click 'link Account' (next to the classic GameChanger symbol)
