Welcome to the NSW State Titles

To all of our players, coaches, parents, umpires, scorers and volunteers,

As the CEO of Baseball NSW, it is with pleasure that I extend a heartfelt welcome to each of you to the much-anticipated 2024 Baseball NSW Little League State Titles. This year, we return to the renowned Blacktown International Sports Park, for our Senior and Little Leagues while hosting our Junior League titles in Lismore for the first time since they have been a part of Baseball NSW.

Reflecting on our journey, it's clear that each season is a testament to the unwavering dedication, talent, and passion within our community. The success and growth we've witnessed, from inspiring performances at national and international levels to the increase in participation across all age groups, reinforce our mission to foster a vibrant and inclusive baseball culture in New South Wales.

This year's State Titles promise to be a celebration of the resilience and hard work, demonstrated by everyone involved in our sport. With teams from across the state ready to showcase their skills, we are set to witness the spirit of competition at its finest, coupled with the camaraderie and sportsmanship.

To our players, you are the future of our community, embodying the values of character, courage, and loyalty on and off the field. The journey to the State Titles is a remarkable achievement, and I encourage you to relish every moment of this experience, regardless of the outcome.

To our coaches, managers, and volunteers, your dedication and selfless contributions are the backbone of our events. The time and effort you invest enable our players to shine and our community to thrive. Your role in shaping the next generation of athletes and individuals is invaluable, and I extend my deepest gratitude for your commitment.

In closing, I wish every team the very best in the competition. I also look forward to watching exceptional baseball but also a memorable occasion where friendships are formed, and the spirit of our community is celebrated.

Let's enjoy the game, and above all, have fun!
