Christie Berg - Penrith Baseball Club

Club Corner

The Play the Aussie Way theme pays homage to all that we value about our sporting culture and underpins the crucial importance of protecting sport's integrity.

The campaign features five athletes (past and present) and a coach, who in their own words tell us what it means to Play the Aussie Way.

It means playing fairly - respecting the rules, your opponents, and the referees. It means being inclusive, regardless of background and ability – after all, everyone deserves to play sport – wherever they live, whatever their level or disability.

Sport should be a safe place for all participants, free of abuse, racism and discrimination. That's the Aussie Way.

One of the best things about playing sport is the camaraderie between teammates and competitors. It's about supporting them, whether they win or lose.

But it also means calling things out when you know they are wrong.

Baseball Australia Unveils New Education App

Coaches in Australian baseball now have one place to call home when it comes to accreditation, coaches, skill development, practice plans and exercises.

Baseball Australia encourages all coaches to download the Baseball Australia Education App, available through Apple & Google Stores, as well as online.

The core objective in delivering this app is to provide coaches at all levels high

quality resources at their fingertips. We understand that the vast majority of our coaches across the country are volunteers with very limited time on their hands to plan and map out training sessions," says Crooks. "The ability to create and store sessions over time, or to use the dozens of sessions already loaded onto the app will make the role of coaching so much simpler on a week-to-week basis."

The app will continue to develop and include resources for scorers and umpires.

For more information, head to Baseball Australia's website [here](#).

NSW State Championships Wrap up 2024

The NSW State Championships of 2024 have drawn to a thrilling close, leaving behind a trail of unforgettable baseball moments.

Across four electrifying events – the Senior League, Junior League, Little League, and Little League Division II Titles – athletes, coaches, parents, supporters, volunteers, and officials alike poured their hearts and souls into the game we all love. As we bid farewell to this year’s State Championships, let us take a moment to celebrate the triumphs and extend our deepest gratitude to all who made it possible.

State Championships 2024 cont. Senior League: Cronulla Black Clinches Victory

Congratulations to Cronulla Black, crowned the 2024 Senior League champions!

Their journey to the top saw them defeat Hills in a dominating semi-final performance, to then face their Cronulla Blue team in the gold medal match. Cronulla Blue's walk off win in the semi-final was the clincher that earned them that second spot to Nationals which will be held in Geelong from May 13th to 17th. To

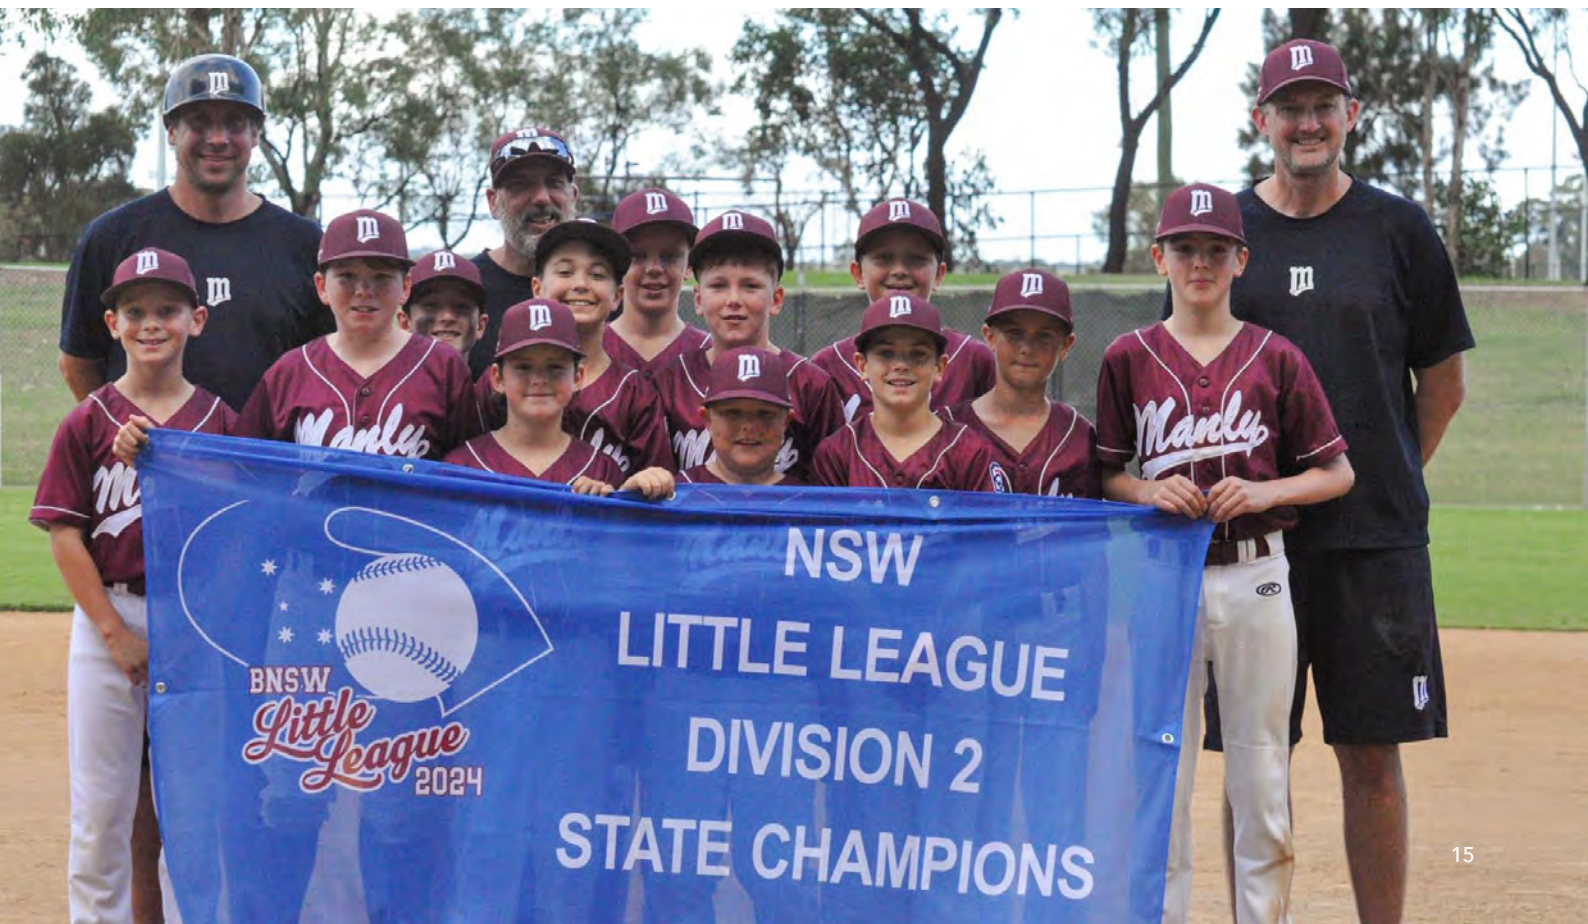

everyone who contributed to the success of the Senior League State Championships, your efforts did not go unnoticed. Thanks to all for your dedication and hard work in making this event a resounding success. A special thanks to Tournament Director Andrew Clements, for his organization throughout the event.

State Championships 2024 cont. Little League Div II Manly Maroon Dominates

In an awe-inspiring display of talent, Manly Maroon emerged as the undefeated champions of the Little League Division II.

Their exceptional performance, conceding only two runs across five games, culminated in a commanding 9-0 victory over Macarthur in the Gold Medal match. As they prepare to represent NSW at Nationals in Blacktown from June 5th to 10th, let us applaud their extraordinary achievement. They will be joined by Macarthur and Ryde Red at the Little League nationals next month!

State Championships 2024 cont. Little League: Hills Red take home The Chocolates

Hats off to Hills Red for their triumphant victory over Ryde Black, securing the State Championship title in the Little League category.

Their fellow Nationals attendees, Ryde Black and Cronulla Black, demonstrated formidable prowess on the field, promising an exhilarating showcase at the upcoming Australian Championships. The Little League competition, was fierce and

unforgettable and is the cornerstone event in budding our youngest athletes' love for the game.

We extend our sincerest appreciation to Marc Roberts, our Tournament Director for the Little League and Division II Championships! His organization and involvement is amazing with thanks to the support of the many officials involved in these great tournaments, including Jerry Cobb and his umpiring team, and Vera and Janine leading their volunteer scorers.

State Championships 2024 cont. Junior League: Manly Maroon Seize the Glory

The Junior League event on the Far North Coast delivered nail-biting action and heart-stopping drama to finish off our State Championships.

In a captivating finale, Manly Maroon emerged as the NSW State Champions, seizing victory in the top of the 7th inning. Kai Riddle closed out the game, with a scoreless inning giving up one hit with 2SO to seal the win. With both Manly Maroon and Cronulla Black set to embark on their Nationals journey, we wish them the best of luck.

State Championships 2024 cont.

As the curtains fall on another remarkable chapter of Baseball in NSW, let us cherish the memories forged on the diamond and the camaraderie shared among players, coaches, officials, and fans alike. To our hosts Softball NSW, Far North Coast Baseball, and every individual who contributed to the success of these

championships – your passion and dedication are the lifeblood of our beloved sport. Here's to the spirit of competition, sportsmanship, and unity that continue to inspire us all. Until next time, play ball!

The two teams went into the Australian Championships with the determination to place higher than they have in the previous year (2023)! After months of training, they finished 2nd with a silver (Women's) and 4th (U16's) in the country.

Congratulations to Claire O'Sullivan who came away with the Golden Bat award, leading the AWC in average (.714), RBI (14), hits (15), Homers (1), and on-base-percentage (.786). Congratulations are also in order for Sayaka Mori and Quincy Hindmarsh who received the AWC Spirit of the game award! This month, the WBSC and USA Baseball announced their partnership that aims to continue to grow the Baseball5 movement across the United States.

USA Baseball announced the launch of exclusive Baseball5 balls and game kits for the US region in partnership with [GameMaster Athletic](#).

“This exciting partnership,” stated USA Baseball in a press release, “aims to fuel the growth of Baseball5, a fast-paced version of baseball/softball, making it more accessible to enthusiasts and players across the United States.” The knock on effect this has for baseball5 around the world will be tremendous and it is a very exciting development for the game!

This means that the WBSC now have all top baseball powerhouses nations with interest in Baseball5 development – Japan, Cuba, Venezuela, Korea, Mexico, Puerto Rico,

and now USA. Australia, whilst a smaller nation in comparison, is now in the perfect position to continue dedicating resources to the development of the game, with the World Cup happening at the end of this year.

The partnership also raises questions around the Los Angeles Olympic Games in 2028, with host nation America now

showing interest in the game. We know that Baseball5 provides a pathway to the Youth Olympic Games, is there potential for the senior game as well?

Some exciting news for the game and for more information, head to the announcement made by USA Baseball [here](#).
