# BNSW Hosts Exciting School Holiday T-Ball and Baseball Camps!

During the October holidays, Baseball NSW hosted 'School Holiday Camps', focusing on tee ball players and those baseballers in the U10 to U14 age groups.

Throughout the camp we focused on several aspects of the game such as fielding fundamentals, situational defence, offence, base running, specialty defence position, pitching, and concluded everyday with a game.

The players were fortunate to work with State Development Officer, Blue Sox and Team Australia Pitcher Coen Wynne, Boston Red Sox Prospect Adam Bates, and Sydney Blue Sox player Mitch Austin over the three days as they imparted their skills and knowledge to the group of players.

Baseball NSW are in the midst of planning their camps for the Summer School Holidays so please keep an eye out for these in the coming weeks and don't miss out on an amazing opportunity to attend!

# Baseball NSW & NxtGen Driveline Camp 2024

Baseball NSW recently hosted a highly successful High-Performance Clinic, partnering with NxtGen Baseball's Ryan Rowland-Smith, to provide our athletes with elite-level training and coaching.

Over the span of five days, our players were exposed to advanced techniques, specialized sessions, and cutting-edge drills tailored to improve every facet of their game.

The clinic offered an array of professional development opportunities, including:

- Athlete assessments
- World class coaches and mentors
- Hitters focus
- Live competitive at-bats
- Pitchers focus
- Data-driven approaches and breakdown sessions

BNSW High Performance Coaches, Grahame Cassel and Coen Wynne, were accompanied by elite level coaches such as Driveline's former head-hitting instructor and now Miami Marlins hitting and catching coordinator, Maxx Garrett. Maxx returned to Sydney after assisting with the 2023 Camp in December to work with our hitters on the mechanical and data sides.

Brandon Mann, the Miami Marlins MLB Pitching strategist and a former Driveline head pitching instructor also worked alongside Ryan Rowland Smith (NxtGen & Seattle Mariners) to oversee our pitcher's bio-mechanical assessment, data evaluation, and future programming.

The camp ensured that each athlete left with a heightened sense of confidence and improvement in their overall performance.

We are proud to continue offering these high-caliber experiences to our athletes as we strive to nurture the future of baseball talent in NSW.

**Stay tuned for more exciting development opportunities in the future!**

Overall the tournament ran well with only a few questions, and all matters were resolved in a timely manner by the NSW Country Tech Committee thanks to Stephy, Brad and Ben.

**Congratulations to the following teams:**

### UNDER 10'S ZOOKA BALL

**Competing teams were Newcastle, Coffs Harbour and Tamworth.**

Zooka ball saw three teams competing this year which was a very competitive league and very close at the end of the tournament. Congratulations to locals,

Coffs Harbour taking out the NSW Country Championship.

### UNDER 12'S

**Competing teams were Far North Coast, Illawarra, Newcastle, Central Coast and Tamworth.**

There were five teams in this age group, all that were very competitive. For this age group the teams were of very high standard particularly in the final between Far North Coast and Illawarra. Congratulations to Far North Coast on taking out the NSW Country Championship and very well deserved.

## UNDER 14'S

**Competing teams were Central Coast, Illawarra, Far North Coast and Newcastle.**

This age group had four teams competing against each other. A high standard of baseball was held, with some very close playoff games when these teams crossed over, proving for a very close final between Far north Coast and Illawarra. Congratulations to Far North Coast also taking out the NSW Country Championship in this age group, and well done to the team after disappointment last year in this age group. Back with a vengeance and secured the trophy!

## UNDER 16'S

**Competing teams were Far North Coast, Central Coast and Newcastle.**

The Under 16's only saw three teams competing this year with varied results over the weekend. Three very even teams but Far North Coast and Newcastle made it in the final with Newcastle having a very strong win 17-0 and deservingly winning the NSW Country Championship. Well done to Newcastle.

Congratulations to all teams and officials involved and thank you to tournament director Ben McCall for providing the recap of the tournament. It is the drive and contribution of volunteers that helps make successful tournaments!

# WBSC Baseball5 World Cup 2024 Tournament

**Australia named its eight-player team for the Baseball5 World Cup, with three NSW players and the Head Coach hailing from NSW!**

The World Cup was held in Hong Kong from October 7-12th and was a great experience for these baseball players to take on this up and coming sport in a competitive environment.

Baseball5 [is the five-on-five street version of Baseball](#). This was Australia's first senior team, following the squad who competed in the Youth World Cup in 2023. Australia's debutants took that Aussie "never say die" spirit to each game but unfortunately couldn't come away with a win against some of their experienced competitors!

Australia was in Group B with China, France, Japan, Mexico and Tunisia. You can head to the [WBSC Event Hub](#) for more tournament details.

**Check out the roster notes on our NSW players from Baseball Australia below:**

– **Chase Karn** is the older brother of Mattea Kara, who competed in the

Youth World Cup. Brothers completing the World Cup bingo card!

- **Jonah Gray** is an incredibly involved member in NSW, with experience as a player, umpire & coach, helping at all levels of the game. He now forays into Baseball5.
- **Jose Rodriguez** is originally from Cuba and grew up playing the original version of the sport. He is a regular Baseball5 player and travelled to Malaysia with his B5 Club.
- **Adrian Medina** returns as the coach of the squad. He was the Youth coach in 2023.

# e-Safety in Sport

## How to Stay Safe Online

**In today's digital age, online safety is more important than ever, especially within our sporting communities.**

As baseball clubs across New South Wales increasingly use online platforms to connect, engage, and grow their communities, it's essential that we all stay informed about the best practices for ensuring a safe and positive online environment.

The Australian eSafety Commissioner provides a wealth of resources specifically tailored for sports organisations. These tools are designed to help clubs, coaches, and players protect themselves and their communities online. We strongly encourage all our NSW baseball clubs and members to take advantage of these resources to enhance their understanding of e-safety and to implement effective strategies within their teams.

The eSafety website offers valuable information on a range of topics, including how to manage online abuse, protect personal information, and create safe online spaces for all participants. Whether you're a club administrator, coach, player, or parent, there's something relevant for everyone.

### **Key Resources Available:**

- **Online Safety for Sports Clubs:** This guide provides practical advice on how to create a safe and supportive online environment for all members.
- **Managing Online Abuse:** Learn how to recognise, prevent, and respond to online abuse, ensuring that all interactions remain respectful and positive.
- **Protecting Personal Information:** Understand the importance of safeguarding your personal information and the information of others when engaging online.
- **Creating Safe Online Spaces:** Get tips on how to foster a community culture that values respect, inclusion, and safety, both on and off the field.

We urge all members to visit the [eSafety for Sport Communities](#) page and explore the available resources. By doing so, you are not only protecting yourself but also contributing to a safer online environment for our entire baseball community.

**Let's work together to ensure that our love for the game extends to a safe and supportive online experience for everyone involved.**
