

2026 Little League Division II State Championship Manager/EO Handbook

Rules

The Rules of the Championships will be as per the Little League Baseball 2026 Rulebook. More specifically the Tournament Rules under Section Titles - **CONDITIONS OF TOURNAMENT PLAY and TOURNAMENT PLAYING RULES**. Where the Tournament Rules {referenced within as “TR”} are silent on an issue the Regular Season rules apply {referenced within as “PR”}. Where those rules are silent on a subject the Rules of Baseball will be applied. Where there is a conflict between the Little League Tournament Rules and this handbook, the latter shall be applied.

NOTE - Game Information

Game duration is five (5) innings or 105 minutes (no new inning after 95 minutes), whichever occurs first.

No more than 6 runs can be scored in any single offensive inning. If this occurs, the side is retired for that inning.

Sixty (60) seconds will be allowed for innings change over.

If at the end of a regulation game (four innings) one team has a lead of ten (10) runs or more OR a lead of fifteen runs (15) after three (3) completed innings, the manager of the team with the least runs shall concede victory to the opponent.

After 95 minutes of game time has elapsed, if the home team (team batting second) is at bat and is ahead on runs, the game shall be called with the home team declared the winning team.

The game will be called with the completion of the at-bat of the batter in the box when the game duration is reached. The score will revert to the score at the last even innings if the away team (team batting first) is ahead when the game is called. Otherwise, the final game score will stand.

During pool play, if at time or the completion of a regulation game, the score is tied, a draw is considered to be a result.

Following pool play (Elimination games and the Championship Game), all games need to be played to a result. The following will apply:

1. If an innings is started, then the game will continue until a result is obtained or the innings is complete.
2. If at time or the completion of the game the score is tied, then the tie-breaker provisions in {TR14} will be applied. The first tie-breaker inning will be assumed to be the 6th inning in terms of the application of Rule {TR14}.

SECTION III – TIEBREAKER PROCEDURES will be used to seed teams after pool play if necessary.

Protests involving playing rules not resolved before the next pitch or play shall not be considered – a tournament official will be available at all games to assist with protest resolution.

NOTE - Determining Home / Away Teams

All fields are considered neutral – the home team shall be determined by the toss of a coin with the winner having the choice. Managers are to arrange between themselves at least 25 minutes prior to the scheduled start time of the game.

NOTE - Mandatory Play

All team must adopt a Continuous Batting Order that includes all players on the team affidavit present at the start of the game {TR9}.

An improper batter will be considered as batting out of turn {TR9(c)}.

NOTE - Pitching

Pitching Rules, including limits and applicable rest days, are included in {TR4}.

Maximum Daily Pitching limits are included in {TR4 (d)}. Limits based on the players' League Age.

Pitcher's Rest requirements are included in {TR4 (e)}.

The pitchers pitch count for the days rest threshold is determined by the first pitch thrown to the batter.

No Player is permitted to pitch in three consecutive days {TR4(e)Note}

A player cannot pitch in two games in a day {TR4(f)}.

Pitchers are permitted to pitch up to, but not exceed, eight (8) preparatory pitches at the commencement of an innings or assignment. {PR8.03}

Balks shall not apply in this division. Any illegal pitch shall be awarded as a ball.

Pitchers once removed from the mound may not return as pitchers. {TR4(c)}

Managers or coaches are not permitted to warm up a pitcher at home plate or in the bullpen or elsewhere at any time. They may stand to observe a pitcher during a warm-up in the bull pen.

NOTE - Intentional Walk

The Defensive Manager may elect to "Intentionally Walk" a batter **at any point during an at bat** by requesting, and being granted, "time" by the umpire before notifying the plate umpire of the defense's intent to walk the batter.

A player may only be intentionally walked once per game but may achieve base-on-balls through four pitched balls in other at-bats.

NOTE 2: The ball is dead, and no other runners may advance unless forced by the batter's award. The appropriate number of "balls" needed based on the count on the batter at the time of the manager's request to complete the Intentional Walk pitches will be added to the pitch count.

NOTE - Pitching and Catching in One Day

Please refer to Tournament Rules 4 for a complete list of pitch and catch restrictions in one day.

Players can occupy the position of pitcher and catcher on the same day as long as the imposed limits are observed.

Any pitcher, who delivers 41 or more pitches cannot play the position of catcher for the remainder of that day (the pitcher can finish pitching to the batter in the box when the threshold limit is reached but cannot start a new batter) {TR4 (d) NOTE}.

Any player, who has played the position of catcher 'IN' 4 or more innings in a game, is not eligible to pitch on that calendar day {TR4 (a)}. A player who has played the position of catcher then pitched may return as a catcher on the same day subject to the restriction in {TR4 (a) EXCEPTION}.

NOTE - Visits

Visits – A Manager or Coach may come out twice in one inning to visit with the pitcher, the third time out the player must be removed as a Pitcher. The Manager or Coach may come out three times in a game to visit with the pitcher, but the fourth time out the player must be removed as a pitcher. {PR8.06(a)}

NOTE - Third Strike Not Caught

The Batter is out on a third strike not caught and the ball remains alive and in play.

NOTE - Collision Rules / sliding

In NSW Junior Baseball we have an anti-collision rule;

The Championships will be played with the interpretation that rule {PR 7.08 (a) (3)} the runner is out if "... the runner does not slide or attempt to get around a fielder who has the ball and is waiting to make the tag..." will align with our anti-collision rules – if a play is imminent then the runner must avoid a collision.

Note: there is no must slide rule. The act of sliding, in a legal manner, is considered to be a means to avoid a collision.

The runner is out when they slide headfirst whilst advancing bases.

NOTE - Protective Equipment

Base Coaches must wear approved helmets (skull caps acceptable for adults). Junior base coaches must wear batting helmets.

Catchers must wear hockey style catchers mask (**skull cap and mask style are not acceptable**) with dangling throat guards during infield/outfield practice, pitcher warm up and games {TR 1.17}.

NOTE – Courtesy Runner

Courtesy Runners are allowed for the pitcher or catcher of record after there are two outs {TR 3 (d)}. The pitcher or catcher of record is the player who played in those positions in the previous half inning.

The courtesy runner shall be the player who was the last (2nd) out in that inning. If a second courtesy runner is used that runner shall be the player who was the first out of that inning and replaces the lead runner.

Dug-out Designation

The team listed first on the draw will occupy the third base dug-out, the team listed second will occupy the first base dug-out, unless a team is *in situ* due to a prior game.

Teams are permitted to have three eligible coaches in the dugout regardless of the tournament team roster size.

Team EO's are allowed to enter the team dugout during Game times only to address player welfare and injury issues but otherwise are to remain outside of the dugout. An exception to this is where the EO is also listed as a coach and forms part of the eligible number of coaches on a team's coaching staff.

Infield/Outfield

Infield/Outfield can only be undertaken if there no preceding game, or the preceding game finishes more than 30 minutes prior to the scheduled game commencement and the Ground Crew have vacated the field 20mins prior to game time

If teams wish to complete an Infield/Outfield as part of the pre-game the following protocols will be observed;

At 20 minutes prior to scheduled start time, the home team will take the field for infield/outfield (7 Minutes available)

12 minutes prior to scheduled start time the away team will take the field for infield/outfield (7 Minutes available)

Scheduling of Games

Where possible the games will be played as per the published schedule.

Should it be necessary to move games between diamonds or alter scheduled start times the Tournament Director will advise the affected teams as soon as possible with confirmation of the change due to weather, extended games, light etc.

Minimum Time Between Games

Should game durations extend beyond the times allowed for in the draw, the game start time will be adjusted, the following minimum times between games will apply:

Where the following game is to be played between two teams that have not played in the preceding timeslot – the following game will commence 20 minutes after the completion of the preceding game.

Where the following game is to be played between one or more teams that have played in the preceding timeslot - the following game will commence 30 minutes after the completion of the preceding game.

Games that do not lead to Championship Games: Game duration shall be 1 hour and 45 minutes.

An additional 10 minutes may be played ONLY in an attempt to complete the bottom of an inning if required.

Opening Ceremony

There will be a brief ceremony on day 1 of the Championships, as shown in the Draw. All Teams are required to attend the Opening Ceremony.

Closing Ceremony

There will be a brief presentation at the completion of the Little League Division II Tournament Games. Teams present are welcome to join and the Championship Banner will be awarded to the winner.

Medical Support

Medics Australia will be on site for the Championships for all players and spectators. They will be in the main amenities building.

Medics will provide pre-game strapping if players supply their own tape.
